MEETINGS

Rule 2-10-3, 3-4-6

Rule 2-10-3

ART. 3 . . . A player-to-player defensive meeting includes two or more players (3-4-6).

Rationale: Definition for player-to-player meeting.

MEETINGS

Rule 3-4-6

ART. 6 . . . Each team, when on defense, may be granted not more than one player-to-player meeting during an inning to permit players to confer with defensive personnel. The umpire shall deny any subsequent player-to-player defensive team requests for meetings.

DOUBLE FIRST BASE

1-2-9, 2-5-1h, 2-16-1h, 8-2-1,
8-2-2a(1-7), 8-2-7

- Starting in 2027, all high school baseball fields will be required to use the double first base.
- SC will not use the change in 2026.

DOUBLE FIRST BASE

1-2-9

- **ART. 9 . . .** Effective January 1, 2027, the double first base will be required. The double first base shall be a white base and a contrasting solid color. The white portion of the base is located in fair territory and the colored portion is located in foul territory. The double first base is split by the first base foul line. They shall be installed with no space between the two portions of the double first base. Both double first bases (white and colored), second and third bases shall be white bags...their anchor systems.

DOUBLE FIRST BASE

2-5-1h, 2-16-1h

DOUBLE FIRST BASE

8-2-1

ART. 1 . . . An advancing runner shall touch first, second, third and then home plate in order, including awarded bases. A batter-runner shall use the colored base on the initial play at first base unless the fielder is drawn to the side of the colored base (dropped third strike only), in which case the batter-runner would touch the white base and the fielder to the colored base. On a dropped third strike, fielder and batter-runner may touch white or colored base.

DOUBLE FIRST BASE

8-2-2a(1-7)

- The lone exception is when there is a dropped third strike, in which case the batter-runner may use the white portion of the base and the fielder may use the colored portion of the base.
- On a dropped third strike, both the fielder and runner may use either portion of the base.

DOUBLE FIRST BASE

8-2-2a(1-7)

Obstruction is called on the defense when there is a force play on the batter-runner, who touches only the colored portion and collides with the fielder about to catch a thrown ball while also on the colored portion of the base.

1. The batter-runner should use the colored base on the initial play at first base, unless the fielder is drawn to the colored base because of a dropped third strike, in which case the BR would go to the white base only.

DOUBLE FIRST BASE

8-2-2a(1-7)

2. Once the batter-runner reaches first base, the runner must always return to the white base.

3. On extra base hits or other balls hit to the outfield when there is no chance for a play to be made at the double first base, the batter-runner may touch either the white or colored section of the base.

4. When tagging up on a fly ball, the white section of the base must be used by the runner. One foot is permitted to extend behind or on the colored base provided the front foot is touching the white section of the base.

DOUBLE FIRST BASE

8-2-2a(1-7)

- If a batter-runner on a force play touches only the white portion of the base and collides with a fielder who is entitled to catch a thrown ball while touching the white portion of the base, interference should be ruled.

DOUBLE FIRST BASE

8-2-2a(1-7)

- If a batter-runner on a force play touches only the colored portion of the base and collides with a fielder who is not legally entitled to catch a thrown ball while touching the colored portion of the base, obstruction should be ruled.

DOUBLE FIRST BASE

8-2-2a(1-7)

5. On attempted pick-off plays, the runner must return to the white section of the base only. This includes a throw from the pitcher, catcher, or any other player, in an attempt to retire the runner at the double first base.

6. The double first base does not change any other rule concerning interference or obstruction at first base. The batter-runner must still avoid interference with the fielder attempting to field a batted ball.

DOUBLE FIRST BASE

8-2-7

ART. 7 . . . A batter-runner who reaches first base safely and then overruns or over slides may immediately return without liability of being put out provided the batter-runner does not attempt or feint an advance to second. Once the batter-runner reaches first base (colored), the runner shall use the white base.

2026 NFHS Baseball Points of Emphasis

DISCIPLINE

- Any unsportsmanlike conduct, arguing or disrespect directed toward umpires will result in disciplinary action, which may include warnings, restriction to the bench or ejection from the game (3-3-1 to 3-3-4 and 10-2-3).

DISCIPLINE

- These penalties are not punitive in nature – they are protective of the values that define high school sports: respect, integrity and personal responsibility.

DISCIPLINE

- Respect for officials is a reflection of the maturity, leadership and character we hope to instill in all participants through educational athletics.

SPORTSMANSHIP (BENCH JOCKEYING AND PROPS)

- Bench jockeying can be considered as negative verbal comments, taunting or attempts to distract, intimidate or embarrass opponents or officials from the dugout – violates the standards of conduct expected in interscholastic competition.

SPORTSMANSHIP (BENCH JOCKEYING AND PROPS)

- By rule, bench jockeying is prohibited and will result in warnings, restrictions or ejections as deemed appropriate by the umpire.

SPORTSMANSHIP (BENCH JOCKEYING AND PROPS)

- Enforcement of this rule is not about silencing enthusiasm – it is about upholding the spirit of fair play and modeling appropriate conduct for students, schools and communities.

SPORTSMANSHIP (BENCH JOCKEYING AND PROPS)

- There is no logical purpose to have props at an education-based athletic event.

PROPER PITCHING POSITIONS

- Pitchers are required to use one of two positions: the wind-up or the set.
- It is important that umpires, coaches and players know what position the pitcher is using so they know which part of Rule 6 is in play.

RUNNING LANE AWARENESS

- Enforcing the running lane rule (8-4-1g) is vital for player safety, fairness and the educational goals of high school baseball.
- The batter-runner must use the designated lane in foul territory during a play at first base.

RUNNING LANE AWARENESS

- Violations result in interference, with the batter-runner out and runners returned to their previous base.

Thank You
